DECEMBER 1977

THE BAR HILL RESIDENTS ASSOCIATION COMMITTEE
WOULD LIKE TO WISH ALL THE RESIDENTS AND IT'S
READERS A HAPPY CHRISTMAS.

At this time of year the Committee look back to see what they have tried to do to see what was successful and what failed. This year has been a very busy one for a depleted Committee. There are many things the Association is consulted upon some they have no part in but give advice and help when asked.

The village has seen many changes with the arrival of Tesco Superstore, the expansion of Hollytrees, the new development of Appletrees. The sad decline of the shopping area. I wonder what 1978 will be like for all of us. Perhaps we will see the Village Hall emerge from the plans into a building. I am pleased to say that after a few storms earlier this year the Residents Association has a good working relationship with the Parish Council, Developers, Planning Authorities and you the Residents. This year has been busy as it's our 10th Anniversary Year and Silver Jubilee Year. All the Celebrations have been successful and enjoyable although hard work. There will always be the recurring problems such as litter, traffic speeds, footpaths, lighting, pets problems, these the Committee have tried to deal with as quickly as possible, not always as successfully as they would like.

The objectives of the BHRA are to act as an intermediary between the residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interest of Bar Hill Village.

This year's Committee are:

The Residents Association is very important to the Village, it produces this News for one thing, every month distributing at least 780 copies all with voluntary help, it's a important link in the community and now it's threatened by the lack of interest by you the Residents. The A.G.M. of the Association will be held in the school on January 10th at 8.00pm when it's up to you to elect your new Committee and officers.

Mr. Gerry Brunning (Chairman) and Mrs. Mary Ingram (Secretary) will not be seeking re-election. The Association is in need of 12 Committee Members (who must be Village residents) proportionally representing streets or Areas of the Village. Plus a Secretary and Treasurer also must be Residents.

Please do not think that someone is bound to have these posts filled or that some one will offer. For that is not the way, there is NO ONE yet to fill the gaps so why not come and offer your services or let it be known to present Committee Members that you would like to be asked. As the village grows it is impossible to know all you likely candidates.

If the Association does not receive your help and support NO it will cease to exist thus making a mockery of all it has stood for.

I should like to take this opportunity to thank past and present Committee Members and you the Residents for all the help and support you have given me over the years. I hope you will support the Residents Association in the future.

Mary Ingram.
B.R.A.A. Secretary

Most of you will be aware that the "Draft County Structure Plan" has been printed and distributed. In conjunction with this the County Planning Officer has arranged exhibitions around the County and Public Meetings. The exhibition will visit Bar Hill on 9th 13th December in the Terrapin at the school opening from 10.00 - 18.00 unless otherwise stated. The first Public meeting will be December 1st at The Maltings, Ely, 6th December at the Primary School Lambs Inn at Cottenham. There are more so for further details ring Cambridge 58811 ext. 366 or 325.

Comments are welcomed by the Planning Authority so please attend to see the future of your Village and County.

BAR HILL RESIDENTS ASSOCIATION

Minutes of the last meeting were read and approved with the following comment. The proposed Youth Club will not be formed before the summer term due to pressure of work.

Apologies for absence were received from: Mrs. J. Hall
Mr. C. Q. Lewis.

Matters Arising

Footpath from Viking way to Bus Stop to be put on next years expenses.

Preholes still unavailable. It is hoped they will be ready early in the New Year.

Play Area Gone on the list of work to be done around the village.

Speed of Traffic The censor proved successful and a 30 M.P.H. limit will be enforced as soon as possible.

Treasurer's Report

Mr. Price reported that the fireworks display broke even with the street collection. The teddy stall raised £15 which helped offset a small loss on the hot dog stand.

Fireworks Report

Letters of thanks have been sent to Tesco Superstore, Mrs. Swain Red Cross, The Parish Council, Mr. Reed Jones, The Scouts, The Police and Stuart Johnstone.

Thanks were expressed to all the helpers whom helped make the evening enjoyable.

It was suggested to approach Village Organisations for a donation towards the next display because this year the Developers gave £100 and the Village £180. It was felt that the Village will not be able to raise a grate deal more than £200 next year.

Parish Council Report

Mr. Lindsay enlightened the Meeting on the business of their last meeting. It was reported at this point that Mr. Gerry Brunning will be approaching the next Parish Council Meeting to commence work on the farm.

Any Other Business

Mr. Gerry Brunning (Chairman) tended his resignation to take effect from January.

Mrs. Mary Ingran (Secretary) tended her resignation to take effect from January.

An address has been received to be followed up.

A suggestion came from the Parish Council that perhaps the Villagers can suggest ways to spend the money raised by the sale of the freeholds. All suggestions to Mr. R. Couzin-Wood, 21, Hol ytrees.

Information Booklet. has ground to a halt. The C.S.U.A. offered to type and collate this. The offer has been accepted.

Thanks were given by the Children for the fireworks display.

The meeting closed at 9.20pm.

The next Meeting will be December 5th 1977 at the school at 8.00 pm. All members of the Public are welcome.

Changes in the Parish Council

During the Monthly Meeting held on Tuesday 15th Nov. '77 the following changes took place:-

- (c) Councillor Tony Barrott resigned.

contd/

contd/

N.B. The official notice is printed else here in the News.

The previous Chairman, Councillor Rodney Dale, decided to stand down, because he felt that after years in office, it was time that another Councillor had the chance to preside. The new Chairman was previously Vice-Chairman and thus this appointment had to be filled also. Councillor Tony Parrott has been appointed to a new post and is leaving the Village immediately.

The new Chairman in his opening address spoke of the Council's great appreciation of the invaluable contribution made to the development of Bar Hill in the difficult early years by Councillor Rodney Dale. He also expressed the immense loss to the Council and to Bar Hill by the departure of Tony Parrott. When our future generations enjoy the green open spaces in and around Bar Hill and see the many lovely trees they will remember Tony Parrott with gratitude, the Councillor who did, in the early days, so much to beautify their village for all times.

Tree Planting

261 Trees have been planted during 10th to 15th november - 150 by Council Staff and 111 (replacements) by the Developers.

Maintenance Generally.

Various remedial work has been carried out in the Park, on the Village Green, and in and around the Drift. Levelling, filling in ruts etc, and re-seeding will continue during the next few weeks.

Suggested use of the Old Farm House as a Youth Club

Mr. Gerry Brunning has asked the Council for the use of the Old Farm House as a Youth Club. The Council approved this in principle and the whole question is now being investigated in detail. The matter will be fully discussed during the next meeting and Mr. Brunning has been invited to address the Council and answer questions.

Volunteer Fire Fighting Group

Villagers had formed in group of volunteers to help in emergencies during the period of the Fireman's Strike. The Council agreed to provide money to cover the purchase of certain equipment.

Local Councils Associations

BAR HILL HORTICULTURAL SOCIETY

This months meeting in the school: December is the month to plan for next years requirements in the garden and allotments. With this in mind, this months talk, with colour slides, considers the garden and "Herbaceous Borders". The speaker for this talk is Mr. Andrews, Head Gardener of Christ College.

Mr. Andrews has spoken to our society before on a subject of gardening, and I am sure that this talk will be as informative and entertaining as his previous talk. 7th December in School. The Library is open from 7.30 to 8.00 pm and the talk commences at 8.00 with an interval for coffee and a raffle.

All are welcome to this and other meetings held by the society in the school, however, only members can take, on loan, library books.

Society Shop: A reminder that the shop will only open the first Sunday this month between 11.30 and 12.30.

Tip of the month: This is the month to spray fruit trees and roses with a tar oil wash to kill off insect eggs. Read the instructions carefully before using tar oil wash as it can have harmful effects on evergreen plants although it's effect on grass is only temporary.
